

December 29, 2017

Dear Patients,

It is with mixed emotions that I am writing to let you know of my retirement from Colorado ENT & Allergy effective December 31, 2017. While I had originally intended to retire in 2018 and notify you beforehand, I unexpectedly had to move the date up for personal reasons. It has been an honor and privilege to care for you and serve this community for the past 30 years.

As you are likely aware, Colorado ENT & Allergy is staffed with the most knowledgeable and caring physicians, and I highly recommend you select one of these physicians for your future needs. You can review the bios of all of our physicians by visiting our website at www.coloradoent.com.

Your medical records are confidential and will remain stored electronically at Colorado ENT & Allergy. If you choose another physician within our organization, you do not need to take any action concerning your records. I understand you may want to select a new physician outside of Colorado ENT & Allergy and please be assured my staff will make the transition as smooth as possible. You will need to sign an authorization form before we can release your medical records to another office. Please note, by law we cannot share your medical information without your written consent. You may sign this form at our office or you may complete the necessary paperwork at your first visit with your new physician.

It has been a great pleasure meeting and caring for you. I sincerely appreciate your trust and loyalty. I wish you all the best in the coming years.

Sincerely,

J. Lewis Romett, MD
